

GREEN EDGE EXPORTS COMPANY PROFILE

From Fields To Goals, We Deliver

ABOUT US

GREEN EDGE EXPORTS is a diversified and dynamic export company committed to delivering premium-quality products to global markets. With a strong focus on quality, reliability, and customer satisfaction, we have built a trusted reputation across multiple industries. Our extensive portfolio includes world-class rice varieties, Himalayan pink salt, and high-quality footballs, each crafted and processed to meet international standards.

By combining traditional expertise with modern technology, GREEN EDGE EXPORTS ensures that every product reflects our promise of excellence, durability, and authenticity. Our customer-centric approach, competitive pricing, and timely delivery have enabled us to build long-term partnerships with clients worldwide.

From Fields To Goals, We Deliver

OUR CORE OFFERINGS

We are masters of our craft across three distinct, high-demand product lines:

PREMIUM RICE:

As a leading exporter of premium rice, GREEN EDGE EXPORTS proudly offers a wide range of renowned varieties, including Super Basmati, Kainat, 1121, and Basmati Sella.

- Carefully sourced from the finest farms.
- Processed using advanced techniques to retain aroma, flavor, and nutrition.
- Stringent quality control to ensure consistency and purity.

Our rice is favored globally for its long grain quality, superior taste, and natural freshness, making it a preferred choice for both households and international traders.

From Fields To Goals, We Deliver

HIMALAYAN PINK SALT:

GREEN EDGE EXPORTS is a premier manufacturer and exporter of Edible Himalayan Pink Salt, famous for its purity, natural mineral content, and rich flavor. Our salt contains over 84 essential minerals, including magnesium, potassium, and iron, which support overall health and wellness.

We offer pink salt in multiple forms, including:

- Extra Fine
- Fine
- Medium Grain
- Coarse
- Grinder Salt
- Pink Salt Chunks

Perfect for culinary uses, health applications, and industrial needs, our pink salt enhances food while providing essential nutrients. All products are ethically sourced and processed under strict quality standards, ensuring sustainability and excellence.

FOOTBALLS

Based in Sialkot, Pakistan, a global hub of sports manufacturing, GREEN EDGE EXPORTS specializes in high-quality footballs.

PRODUCT RANGE:

Match Balls, Training Balls, Promotional Balls, and Custom-Designed Footballs.

MANUFACTURING:

A blend of hand-stitching craftsmanship and modern production technologies.

QUALITY ASSURANCE:

Rigorous testing for durability, performance, and compliance with international standards.

Our footballs are trusted by sports brands, clubs, and distributors worldwide, making us a reliable partner in the global sports goods industry.

From Fields To Goals, We Deliver

OUR VISION

***“A Business is Only as Good as The People Who Belong to It,
Make It Grow, and Share Its Destiny.”***

At GREEN EDGE EXPORTS, our vision is to build a globally respected brand that reflects uncompromising quality, innovation, and trust. We strive for sustainable growth, customer satisfaction, and continuous improvement, ensuring that every product we deliver exceeds global expectations.

LEADERSHIP

ATIF ALI – CEO & CO-FOUNDER
